

Lachezar Dobrev

3D Visual Artist

+359 897 975 661 | luchodobrev@gmail.com | www.dobrevgraphics.com

Summary

Active in computer graphics since 2005, I currently specialize in 3D architectural visualization, combining deep expertise with a proven record of successful residential and commercial projects. I pay meticulous attention to materials, lighting, and composition to deliver visually compelling and realistic images, and I am always seeking inspiring projects and creative collaborations.
